VISION

To become a distinguished global leader in higher education, dedicated to nurturing innovation, fostering critical thinking, and driving ; research, and a commitment. We strive to empower future generations through exceptional teaching, pioneering research and a commitment to diversity, sustainability and ethical leadership, shaping a brighter and more inclusive future for all.

MISSION

- Delivering quality education through expert faculty and a global-standard curriculum.
- Encouraging research, technology development, and innovation to address societal challenges.
- Nurturing entrepreneurial mindset and industry readiness from day one.
- Ensuring a safe, inclusive, and student-friendly environment for academic and personal growth.

The Dhanalakshmi Srinivasan University (DSU) has been established under the Tamil Nadu Private Universities Act, 2019, located in Tiruchirappalli, Tamil Nadu, India. The uniqueness of DSU lies in its multidisciplinary nature in offering a wide range of academic programmes encompassing medicine, paramedical, engineering, and agricultural sciences. Our motto is 'education for the real world' with dedication and commitment towards nurturing the future generations. Green ambience with state-of-the-art infrastructure along with top-class faculty aims to serve the need of national and international students.

CHANCELLOR'S MESSAGE

At Dhanalakshmi Srinivasan University (DSU), we believe that education is the foundation of a progressive and knowledge-driven society. India is moving forward on the path of inclusive education, ensuring that every aspiring student gets the opportunity to pursue higher education equitably and holistically.

The future of our nation lies in the hands of a well- educated, technologically adept and creative youth who will propel India to greater heights. In today's evolving world, higher education must integrate scientific temper, new-age technologies, critical thinking, soft skills, resilience, ethical values and societal responsibility. To achieve this, institutions of excellence must provide an innovative and research-driven learning environment that nurtures leaders, entrepreneurs and change-makers.

Tamil Nadu, a front-runner in higher education, continues to set benchmarks for academic excellence. As we strive toward achieving a 100% Gross Enrollment Ratio (GER) in higher education.

At DSU, our mission is to create a vibrant and inclusive academic platform for students from diverse backgrounds, both National and International, to realize their aspirations and transform their potential into success. Our state-of-the-art campus, enriched curriculum, renowned faculty and interdisciplinary approach ensure that our students are well-equipped to meet global challenges.

What sets DSU apart is our focus on research, entrepreneurship and holistic student development. With disciplines spanning Medicine, Engineering, Allied Health Sciences, Nursing, Physiotherapy, Occupational Therapy, Pharmacy, Agricultural Sciences, Arts & Science, Law, Management Studies and Architecture, we offer a truly integrated and interdisciplinary learning experience. This cross-disciplinary approach fosters innovation and empowers our students to become confi dent, skilled and socially responsible citizens.

At DSU, we are committed to shaping not just employees, but future employers and leaders who will drive change and meaningful contributiions to society.

I welcome you to join us on this transformative journey and be part of an institution that is redefining higher education.

Shri. A. SRINIVASAN

Hon'ble Chancellor,
Dhanalakshmi Srinivasan University

SCHOOL OF MEDICINE

Approved by NMC, New Delhi

UG PROGRAMME

- M.B.B.S

PG PROGRAMMES
