

16 PEACE, JUSTICE AND STRONG INSTITUTIONS

Dhanalakshmi Srinivasan University (DSU) is proud to present its annual report for 2023, outlining our commitment to Sustainable Development Goal 16 - Peace, Justice, and Strong Institutions. This comprehensive report details our initiatives, achievements, and contributions toward promoting peaceful and inclusive societies, ensuring access to justice, and building strong institutions.

Promotion of Peaceful Campus Culture:

DSU fosters a campus culture that promotes peace, tolerance, and inclusivity. Various programs, workshops, and events are organized to encourage dialogue, understanding, and cooperation among students, faculty, and staff.

SAY NO TO RAGGING

Access to Justice Education:

DSU integrates education on access to justice within its curriculum. Students are provided with an understanding of legal principles, human rights, and the importance of a fair and accessible justice system to build a foundation for contributing to a just society.

Legal Aid Clinics:

DSU operates legal aid clinics that offer assistance to the local community. These clinics provide free legal advice, support, and awareness programs to individuals who may face legal challenges, contributing to increased access to justice for the community.

Campus Governance and Transparency:

DSU prioritizes strong institutional governance and transparency. Measures include clear communication channels, participatory decision-making processes, and adherence to ethical standards, fostering a strong and accountable institutional framework.

Human Rights Education:

DSU actively promotes human rights education on campus. Workshops, seminars, and awareness campaigns focus on human rights principles, social justice, and the importance of protecting the rights and dignity of all individuals.

Future Plans:

- Strengthen programs for promoting a peaceful campus culture.
- Enhance education on access to justice within the curriculum.
- Expand the reach and impact of legal aid clinics.
- Continuously improve campus governance and transparency.
- Increase initiatives for human rights education.

Dhanalakshmi Srinivasan University's commitment to Sustainable Development Goal 16 - Peace, Justice, and Strong Institutions is evident through our initiatives promoting a peaceful campus culture, education on access to justice, operation of legal aid clinics, emphasis on campus governance and transparency, and efforts in human rights education. DSU remains dedicated to fostering an environment that actively contributes to building peaceful and just societies and aligns with broader goals for strong institutions. "**Annexure SDG-16**" lists out various events and programmes organized and activities carried out by DSU pertinent to SDG-16.
